

# How to Use the Meeting Owl Pro

The Meeting Owl Pro is a 360degree camera/microphone for video conferencing and remote instruction, it may be used with any classroom or personal computer, and is available for checkout at the IT Help Desk.

## How to Use the Meeting Owl Pro:

- Plug USB and power cables into the Bottom of the Meeting Owl. Power on by pressing and holding the power button located on the back of the Owl.

- Plug USB cable into the computer being used. In larger rooms like the Think Tank, a USB-A to USB-C adaptor will be necessary to connect the Meeting Owl to the TV and Mac Mini.
- Launch Zoom or other conferencing platform and select Meeting Owl for Video and Microphone.
