

Gmail: Send Emails from a Google Group or Alias

If you have an alternate email that you would like to send emails from through your gmail account or if you are apart of a Google Group and need to send emails on its behalf, follow the instructions below to add the addresses.

Add an Address You Own

1. Navigate to gmail.com and login to you **SJSU gmail account**
2. In the top right, click the **gear symbol**

3. To test that you were successful, you can send an email to yourself from the newly added address.
4. **Note:** Sending emails from a Google Group or Alias are the same once the address has been added to your account.
